

IS 235 Site Specification Document

Goals and Purpose

The purpose is to provide exposure for Ten Sister Quilting Company and to provide samples and patterns. The website will also provide scheduling and locations for quilting classes.

Audience

The target audience will include people who have taken classes and all others who are interested in the art of quilting. Age range will be from 30 and up. They will be primarily women who visit the site. To accommodate them we will provide free samples and free patterns. The website will follow the accessibility guidelines.

Design Requirements

- The site will be simple and easy for older people to use. Layout and design will be easy to understand and easy to follow. There will be a title, banner, horizontal navigation, breadcrumb trail, content, and legal information.
- Photographs will include patterns and quilts with alternative text and explanations of what they are.
- The site will have text-based navigation.

Delivery Requirements

The Web site should display as required on the following browsers.

- Internet Explorer, v7 or later
- Safari 2.0
- Mozilla Firefox 2.0x or later

The Web site should display on the following operating systems.

- Macintosh OS10.x or later
- Windows Vista, XP Home or Professional

The site will require the following plug-ins:

- Flash Player 7.0 or above
- Acrobat Reader 6.0 or above

Content

- Home page: General information about the Ten Sisters Quilting Company. There will be a summary of classes and patterns available through the site.
- Patterns page: will provide free samples and patterns for purchase.
- Class page: schedule and locations of classes offered.
- Personal page: information about the Ten Sisters and how do contact them.
- Legal information: Privacy Policy and Terms of Use.
